AN UPDATE ON MEASURES BEING TAKEN TO PREVENT THE SPREAD OF COVID-19 BY MERCHANT SHIPPING – No. 57 12.08.2020

Further updates on COVID-19 precautions have been received from members as summarized below. As always, please contact the relevant association for more guidance.

Sweden	<p>All Swedish ports remain operational and shipping agents are working 24/7, applying recommended sanitary measures. Visits to ships from shore-based personnel are limited to those absolutely necessary to avoid bringing COVID-19 on board.</p> <p>Maritime Health Declarations are required at all Swedish ports and some ships have been in quarantine due to suspicion of infection.</p> <p>Crew members are not allowed shore leave, but crew changes (even for non-EU citizens) are allowed.</p> <p>All port services to ships are operational as well.</p>
