Operational, Technical, Environmental ve Energy Efficiency Software Program (S-Suite) Joint Procurement Launch for Ships

MARCH 9TH, 2023

İSTANBUL MARRIOT HOTEL ASIA
KÜÇÜKBAKKALKÖY, ATAŞEHİR İSTANBUL
13:30-17:30

Rating of ships by their CO2 emission, EEXI (Technical Efficiency), CII (Operational Efficiency), data verification with IMO and EU, many more regulation requirements.....WHY?

How can be managed all these?

Why such a joint procurement project is implemented with StormGeo? Why such a computer software is needed for our ships?

We wait for shipowners, senior managers, department heads and subject related superintendents to participate this event
